

WILLIAM CAIRNS AGAIN RELATES MASSACRE STORY

Survivor of Herrin Riots Identifies Some of Defendants

(By The Associated Press)
MARION, Ill., March 5.—Still bearing the scars of his wounds, William Cairns, one of the survivors of the Herrin riots, took the witness stand today at the trial of six men charged with murder in connection with the outbreak and pointed out three of the defendants as either having taken part in the tragedy or been at the scene with guns in their hands.

The witness testified that he saw Philip Fontannetta, the youngest of the defendants, walk up to John Shoemaker, assistant superintendent of the mine where the trouble started, who was lying nearby badly wounded but still alive.

Here's that ex-machine gunner," Cairns quoted Fontannetta as saying, and continued:

"Then he placed a gun beside Shoemaker's head and blew the side of his face off."

Just before the shooting the witness said an automobile drove up to the crowd that was escorting some fifty unarmed prisoners taken from the mine and he heard someone shout:

"Here comes Willis."

Hugh Willis, state board member of the Illinois Mine Workers, is one of the men on trial charged with the slaying of Antonio Mullovi, one of the twenty-two non-union workers killed during the riots.

The witness testified that the workers and armed guards in the mine of the Southern Illinois Coal company had been attacked early in the afternoon of June 21.

Cairns declared the defendants raised a white flag about 5 o'clock that afternoon but that the firing continued during the night. He said the fire was returned from the pit but that the next morning about fifty men remained in the mine a score having fled during the night laid down their arms and surrendered.

"I heard one of the armed men who marched us out say that we were to be put aboard a train and sent out of the country," the witness said. "But we were marched up the road and I saw C. K. McDowell led away by two men, one of whom was Otis Clark."

"A little further on I heard a man say 'they ought to be hanged, and a negro who carried a gun and was a battered army helmet replied:

"Well, we're going to fix 'em."

Points to One of Defendants
The witness then stood up and pointed out one of the defendants, James Brown, as the man who had made the statement, Clark, who was acquitted at his first trial on a charge of having slain Howard Hoffman, another victim of the riots also is a defendant in the present case.

Continuing his testimony Cairns asserted that the prisoners were then lined up before a barbed wire fence and the shooting began.

"While I was lying on the ground there," he said, "I saw a man leaning against a tree with his blood streaked face on his arm. A couple of men with guns came up and said to him: 'You big—can't you kill you, and fired into his body.'"

Cairns testified that he recognized the speaker as Peter Hiller, one of the five defendants acquitted at the first trial, Hiller is not a defendant in the present trial.

On cross examination Cairns testified that he came from Chicago to act as a guard at the mine on June 12, that he was given a high powered rifle and a heavy pistol and that there had been no trouble until the afternoon of June 21.

Cairns said that he had stopped Delos Duty, state's attorney of Williamson county and Melvin Thaxton, then sheriff, when they had visited the mine.

"You took them to Superintendent McDowell and heard the state's attorney say 'what in—does this mean in a free country' he was asked and replied in the affirmative."

Only two other witnesses were examined during the day, Albert Storme, a Herrin undertaker who handled the body of Mullovi, and William McCowan, the coroner who held the inquest over the remains.

PREMIER LAW IS HAVING TROUBLE WITH MINISTRY

Is Considering the Partial Reconstruction of Body

(By The Associated Press)
LONDON, March 5.—The government's ill luck in its search for a new premier for its members who were defeated in the general election is compelling Premier Bonar Law to consider partial reconstruction of his ministry, as was foreshadowed a fortnight ago.

Sir Arthur Griffith-Boscawen's resignation from the ministry of health was announced tonight. It followed quickly upon his defeat in the bye election for the Mitcham division of Surrey by the Labor candidate, J. Schuter Ede. Only a day or two ago Lieutenant Colonel George F. Stanley, under-secretary for home affairs, was defeated in the bye election at Willesden, and retired from office.

It was learned today that Mr. Bonar Law had invited Lord Birkenhead to join the government but had met with refusal, possibly because, as rumored, Birkenhead aspires to the foreign portfolio, and the prime minister could hardly displace Lord Curzon in order to install Lord Birkenhead.

It is understood that Mr. Bonar Law is making overtures to Austen Chamberlain and other members of the late government who were out with Mr. Lloyd George, with the object of strengthening the debating power of the government benches.

RUM RUNNERS ARE WORKING TO GET BARGAINS READY

Much Activity in Rum Fleet For Expected Spring Rush

(By The Associated Press)
HIGHLANDS, N. J., March 5.—Rum is working feverishly to get its bargain counters ready for the expected spring rush.

Considerable activity in the fleet, notably three arrivals, two departures, and the arrival of supply tugs from New York was observed today.

One of the local bottle fishermen who ventured out to the fleet last night and returned, it is said, with a small cargo—fewer than 100 cases—was asked what the new arrivals had aboard.

"Well," he replied, "taint Panama hats."

One of the departing vessels was a palatial yacht said to have formerly been the property of a New York millionaire. She now flies a foreign flag and is reported in the Bahama trade.

The weather still is unfavorable for extensive running to the shore, and bottle fishermen on the Jersey coast are waiting until the wind blows right. They declare there is no use running risks, that the rum will stay there until they go after it.

The runners along the shore are getting rich and with the coming of wealth they are growing sort of uppish. They resent being called "bootleggers." They see their trade as something to be looked up to. They would rather be called "rum barons" and their men already have dubbed themselves the "rum marines," Highland company No. 1.

GENERAL CROWDER TAKES UP DUTIES AS AMBASSADOR

First Diplomat With That Rank in History of Republic

HAVANA, March 5.—For the first time in the history of the republic, Cuba has a diplomatic representative accredited to her bearing the rank of ambassador.

Major General Enoch H. Crowder, U. S. A., retired, today presented his ambassadorial credentials to President Zayas at the presidential palace.

Enrique Soler y Baro, introduced by ministers, accompanied by a presidential adjutant and a squadron of cavalry, escorted General Crowder to the palace, where a battalion of infantry presented arms and the band played the Cuban national anthem.

President Zayas received General Crowder who in a brief address said his instructions were "constantly to endeavor to advance the interests and prosperity of both nations." The new ambassador then handed his credentials to Dr. Zayas who introduced General Crowder to the members of his cabinet.

As the ambassador left the palace the band played "The Star Spangled Banner."

OFFER OF RECESS APPOINTMENT IS REFUSED BY M'NARY

New Mexico Banker Issues Statement Scoring Couzens

(By The Associated Press)
WASHINGTON, March 5.—James G. McNary of New Mexico, whose nomination for comptroller of the currency failed of confirmation by the senate was offered a recess appointment to the place today by President Harding, but replied he could not accept.

Tonight Mr. McNary issued this statement:

"The tender of the recess appointment by the president speaks for itself and I have stated in my letter to him my reasons for declining it."

"Heretofore I have refrained from making any public statement as to the controversy that has gone on over my confirmation as comptroller of the currency, and I dislike to have to do so now, but feel that it has been made necessary by the statement given the press by Senator Couzens."

The statement given out by Senator Couzens is so completely false that, in justice to myself and my friends and the senate committee that recommended my confirmation it must be replied to. It is in direct conflict with the records from which Senator Couzens pretends to quote and with the facts submitted to the committee on which it made its report recommending my confirmation.

"First, for instance, the statement that I had borrowed in amounts from \$5,000 to \$170,000 from the First National Bank of El Paso without security is utterly false, as shown by the records of the bank and by the facts submitted to the senate committee."

"Second, the statement that fifty-two times during a period of six months the bank was in position of having a suit instituted for the forfeiture of its charter is false in every particular."

"Third, the statement that the bank and I had speculated in sugar is false, neither ever having speculated in sugar to the extent of a dollar."

"Fourth, the statement that a loan was made by any officer of the bank after the board of directors had declined to approve is wholly false."

"These are but specimens of the entire falsity of the statement. One more must be mentioned."

"Senator Couzens says, 'McNary has told me that he contributed \$20,000 to the National Republican campaign fund.'"

"Senator Couzens, knew when he made that statement that I had made no such statement to him, and in the only two conversations I ever had with him in my life, the subject of campaign contributions was not even mentioned."

MINISTERS TO BUY
AUTOS FOR PROH AGENT
Philadelphia, March 5.—The Methodist ministers of Philadelphia voted today to buy two automobiles for F. A. Hazlett, newly appointed chief of prohibition agents in Pennsylvania, so that he and his men will not have to depend on either their feet or the trolley car to catch bootleggers.

Mr. Hazlett had told the ministers in an address that his office had been handicapped by lack of adequate transportation facilities.

Page Boys Organize and Complete Work

(By The Associated Press)
WASHINGTON, March 5.—A negro janitor with mop and bucket was the solitary occupant of the house galleries today as page boys organized a mock legislative body to pass numerous bills and resolutions which failed in the closing days of the 67th congress.

After that ceremony the doors of the house and senate chambers were closed, to remain so until December, unless President Harding should call congress into extraordinary session.

The principal activities at the capitol today consisted of efforts of retiring members to clear their office and get home as quickly as possible.

There was a scurrying for more desirable office space by members who will be in the next congress. Under existing custom newcomers must take what is left after the "veterans" choose the most desirable rooms.

A number of the new house members appeared at the office of the sergeant-at-arms and went thru the process of identification to draw compensation which began March 4. They also arranged to get office space so they can carry on the work of their predecessors.

In many instances clerks and secretaries of the retiring legislators were made available to them temporarily.

Among those departing so far as their services in congress are concerned, was Joseph W. Fordney, of Michigan, chairman of the house ways and means committee, where all revenue legislation is inaugurated.

Mr. Fordney will go back to his farm near Saginaw, Michigan. Retirement of Republican leaders, Frank W. Mondell, Wyoming, Philip P. Campbell, Kansas and Mr. Fordney with a hundred or more others already has begun to furnish food for speculation as to the organization of the Republican majority in the next house.

In recent years no long vacations between congress have been had and both major parties have been able to quickly settle their fights for leadership. But with nine months of congressional apathy in sight, opportunity for maneuvering will be multiplied. Under the house custom of seniority, vacant committee chairmanships will go to the ranking majority member but with the influx of new Democratic representation and the consequent increase the party will get in committee strength minority leaders face the difficulty of satisfying the ambitions of many who will want important assignments.

There has been little talk of a fight for leadership of the Democratic minority. Representative Garner of Texas, ranking member of the ways and means committee has announced that for the sake of humanity, he would not oppose the present leader, Representative Garrett of Tennessee. On the Republican side however, two candidates already are in the field for the leadership—Representatives Longworth of Ohio and Graham, Illinois, and a contest also is in prospect for the position of whip, which Representative Knutson of Minnesota has declined for another term.

Friends of both Mr. Graham and Mr. Longworth were active during the closing days of the present congress.

Conferences of the two parties will be held shortly before the next congress meets but in the case of the Republicans there is now no conference chairman. Representative Townier of Iowa, having retired to become governor of Porto Rico.

Democratic will be faced with the task of reassigning returning members who went down in the Harding landslide and came back last November. Some of them had reached high places of committees.

Washington, March 5.—One of President Harding's last acts before his departure for Florida was to direct the civil service commission to give certain preference to veterans of the world war in their examinations for positions under civil service.

Chicago, March 5.—Release under \$1,000 bond on a writ of habeas corpus was granted Joseph Kresniak of Springfield, Ill., against whom deportation proceedings had been brought by Federal Judge George A. Carpenter, today.

Deportation proceedings were started after Kresniak's acquittal on the charge of wrecking a railroad train near Springfield. Two other men were arrested with Kresniak, pleaded guilty and are now serving sentences in the Chester penitentiary.

Davenport, Iowa, March 5.—Captain S. H. Hanks, 92, veteran Mississippi river pilot died today. He was a nephew of Nancy Hanks, mother of Abraham Lincoln.

Washington, March 5.—President Harding today gave recess appointments to Elmer S. Landers of Ohio, Republican and Merton L. Corey of Nebraska, Democrat, as directors of the federal farm loan board.

Danville, Ill., March 5.—William Heiser of Coalinga, Ind., who died last week, in his will left \$100 to employ the Covington twenty piece band to play at his funeral. The will was filed Saturday to give the I. O. O. F. lodge authority to hire the bandmen, and the funeral was conducted Sunday.

Dixon, Ill., March 5.—Dr. T. C. Edgar, widely known specialist in diseases of the eye, ear, and nose, died here this morning. Death being due to pneumonia.

Chicago, March 5.—Lewis Eipers, former city clerk of Lockport, Ill., today faced arraignment here on a charge of embezzlement. He was brought back to Chicago yesterday from Detroit after an investigation of his stock selling activities here.

Quincy, Ill., March 5.—The funeral of Bessie Coleman, who was run down and killed by an unknown car at New Canton, near here, was largely attended Sunday afternoon. Cal Gallagher of Barry, has been held as a suspect of having knowledge of the driver of the car, who made his escape without identification. It is believed the death car has been located at Louisiana. The coroner's jury has adjourned pending the wedding. His first wife died eighteen months ago.

DIES 20 MINUTES
AFTER MARRIAGE
Chicago, March 5.—Twenty minutes after he had married a girl of 24, Herman A. Swanson, of New York, died of heart failure today.

Miss Eleanor McCarthy, the bride obtained the marriage license alone, Swanson being too ill to accompany her. The coroner's office decided Swanson's death was due to heart trouble induced by the excitement attending the wedding. His first wife died eighteen months ago.

HUMAN FLY FALLS TO DEATH BEFORE BROADWAY CROWD

Harry F. Young Falls While Trying to Climb Hotel Wall

(By The Associated Press)
NEW YORK, March 5.—With a Broadway crowd standing aghast and movie machines clicking out their yards of celluloid ribbon, Harry F. Young, self-styled "spider" plunged ten stories to his death today while attempting to scale the side of Hotel Martinique.

Women fainted and disorder ensued. Police reserves had to be called before the body could be removed and traffic re-started.

Among those watching the performer was his wife. She swooned and was revived in a drug store and later removed to a hospital.

The square was packed when Young appeared. Clinging to points of vantage on the Thirty-third street elevated station were dozens of cameramen.

Windows of every skyscraper in the vicinity were filled with men and women, laughing and talking excitedly as Young began his climb. The police estimated the crowd at 20,000.

Young wore a white shirt, duck trousers and white shoes which served to outline his figure against the drab wall. On his back hung a sign reading, "Safety Last" for Young was a incorporator of the "safety last society" formed last week by human flies, parachute jumpers and folk of adventurous liking whose occupation caused them to be listed by insurance companies as "bad risks."

The "spider" began his ascent at the north end of the hotel. He climbed up a surface that seemed from the street absolutely sheer, but which here and there had small indentations in which the performer was able to cling with his fingers or toes.

The fourth floor was gained without incident at that point Young climbed over a balcony and walked over to the center of the building as if to afford the crowd a better view. Young apparently felt he was to meet death for people in windows past which he climbed said later that they heard him muttering to himself: "I can't make it. I can't make it."

When he reached the tenth floor his foot slipped. Down he plunged. From the crowd rose a groan that grew like the moaning of the wind.

Falling close to the wall, he crashed on to the balcony. His body was deflected out into the street. Young who was 25 years old and lived here had engaged in stunts for several years. He had performed many times for Red Cross and many times had scaled Broadway buildings. He leaves a widow and a son, eight years old.

In Young's pocket was found a contract with a motion picture concern and from another source it was reported that a new picture soon to be put on the screen would feature a human fly stunt.

MOTHER OF ROBBER HELD FOR PERJURY

(By The Associated Press)
KANSAS CITY, Mo., March 5.—Mrs. Charlotte Carpenter of Chicago, mother of James J. Martin, alias Martin J. Ryan who was recently convicted of first degree robbery in connection with the theft of \$97,000 from messengers of the Drovers National Bank here December 12, was arrested today on a capias warrant charging perjury. Mrs. Carpenter is the fourth arrest in connection with testimony given at Martin's trial.

Martin was sentenced to serve five years in the state penitentiary. Four charges are pending against him, three alleging first degree robbery and the fourth assault to kill one of the messengers who was dangerously wounded in the hold up.

Mrs. Carpenter and three other witnesses are alleged to have offered false testimony in an effort to prove an alibi for Martin.

Mrs. Carpenter was arrested in the office of the Jackson county jail when she went there to see Miss Rose Schronack, Alfred Folbert and John Darmofal, all of Chicago, the others charged with perjury.

FORMER PREACHER WANTED FOR BIGAMY

WOLCOTTVILLE, Ind., March 5.—J. Frank Fetterhof, 79, former preacher who is wanted in Grand Rapids, Mich., on charges of bigamy, was arrested here Sunday afternoon. Cal Gallagher of Barry, has been held as a suspect of having knowledge of the driver of the car, who made his escape without identification. It is believed the death car has been located at Louisiana. The coroner's jury has adjourned pending the wedding. His first wife died eighteen months ago.

LIVESTOCK HEAD GIVES OPINION ON PERCENTAGES

Favors a Minimum Charge
of \$12, Maximum
of \$15

(By The Associated Press)
CHICAGO, March 5.—Livestock commission charges should be on a percentage basis computed on the relative value of the stock sold, C. W. Tomlinson of Denver, secretary of the American National Livestock association declared today at a hearing being held here by arbiters of the packers and stock yards administration. The association is the complainant.

Mr. Tomlinson favored a minimum charge of \$12 a car and a maximum of \$15 instead of the sliding scale in force at present.

He declared that there should be no differentials between Chicago and western markets asserting that the cost of doing business in Chicago was no greater than in any other city handling livestock.

A Sykes, president of the Iowa Corn Belt Meat Producers' association differed with Mr. Tomlinson on the differential question which is one of the important matters to be decided here. Higher rents and labor costs and a higher cost of doing business in general in Chicago should give Chicago a higher differential, he declared.

The hearing here is expected to continue for several days.

BANDIT CAPTURED AFTER ROBBING OF JEWELRY COMPANY

Pair Get Between \$50,000
and \$60,000—One
Escapes

(By The Associated Press)
CHICAGO, March 5.—One of two bandits was captured after the pair had held up the K. Massover company, manufacturing jewelers offices in the downtown district and fled with diamonds valued at between \$50,000 and \$60,000 today. Jewels valued at about \$5,000 were found on the prisoner. The other robber escaped.

The bandits ran thru a department store upsetting women shoppers and creating a melee into which traffic policemen and store detectives joined.

A few doors away one of the fugitives was seized in front of a State street building.

The bandits on entering the offices held up Mrs. Massover, proprietress, a customer and a clerk, and robbed the safe. As they fled, the robbers were pursued by Mrs. Massover and the others. A woman shopper in the department store screamed and chased bandits as they ran thru the store and her cries attracted a policeman who intercepted the pair and seized one of them.

HAWAIIANS ASK
FOUR AND A HALF
PER CENT BEER

Also ask for Permission to
Make 15 Per Cent
Wine

(By The Associated Press)
HONOLULU, March 5.—Amendment of the national prohibition law to permit the manufacture and sale of four and one-half percent beer and fifteen percent wine in Hawaiian Islands is requested of congress thru a resolution introduced today in the territorial legislature.

The enforcement of the Volstead act in the territory of Hawaii, according to the resolution has worked "a manifest hardship on the people, especially those who are not in affluent circumstances." The resolution further states that "prohibition enforcement has greatly and acutely increased drunkenness and that hypocrisy and dissimulation have become rampant."

POPE PIUS WILL
REVIVE OLD CUSTOM
FINAL ATTEMPT
TO SAVE THE C. P.

(By The Associated Press)
ROME, March 5.—Pope Pius may revive one of the oldest customs of the Holy See which fell into disuse more than 20 years ago, when he sends the gold rose to the queen of Spain.

(The golden rose, made up of a cluster of roses and buds on one stem all of solid gold in time gone by was given each year by the pope to the queen who during the year performed the most pious deeds for the church.)

Neither Pius X nor Benedict XV sent the golden rose to any queen. The last time it was bestowed was by Leo XIII, who conferred it upon Queen Amelia of Portugal. Previously he had given it to the queen of Spain, Maria Christina. It is expected Pope Pius will entrust the Marquis Sanchetti his secretary with the honor of taking the rose to the queen of Spain. According to tradition, the pontiff will bless the rose next Sunday, the fourth Sunday in Lent.

Mrs. Harriet Bowers Fetterhof, alleged to be the third wife, is awaiting the aged minister's return at the farm.

SPRINGFIELD, Ill., March 5.—Final attempts to save the C. P. & St. L. railroad from dissolution were made here today when the attorneys representing patrons of the road filed a petition in the circuit court asking leave to present a plan to continue the line's operation.

The attorneys are W. J. Chapman of Jerseyville, Seary and Seary of Springfield and John J. Reeve of Jacksonville. They requested the court for permission to present an intervening petition in the case brought by bondholders of the road asking that the line be scrapped to save further financial losses.

The court set March 14 for a hearing on the motion. The attorneys did not disclose the details of their plan, except to say it embodied other plans that had been advanced.

MOOREHOUSE GRAND JURY WAS CHARGED JUDGE F. G. ODOM

State's Attorney General Coco to Submit Evidence

(By The Associated Press)
BASTROP, La., March 5.—The Morehouse Parish grand jury was drawn today and charged by District Judge Fred M. Odom. State's Attorney General A. V. Coco expects to appear tomorrow and submit evidence obtained at the open hearings here in January into kidnappings, floggings and other activities of masked bands, which the state charges were composed of members of the Ku Klux Klan, and will ask for from thirty to fifty indictments ranging from assault and battery to murder.

The last in connection with the kidnapping and slaying of Watt Daniel and T. R. Richard of Mer Rouge, last August 24.

Estimates of the number of klansmen on the jury run as high as six but this feature did not seem to be regarded as of importance since the attorney general had stated that he would be willing to place the evidence before a jury composed entirely of klansmen if they would only discharge their duty as sworn officials of the court.

Nothing concerning its inquiry is expected from the jury until it makes its final report to the court.

The state will present a brief of the transcript of the testimony taken at the open hearing and it was hinted today that it might call one or two witnesses who testified then in order to clear up for the jury several features of the case.

Judge Odom's charge to the jury was in two parts, first an extemporaneous one along routine lines and later a lengthy written charge devoted entirely to the hooded operations and observance of the law.

Captain J. K. Skipwith, exalted cyclops of the Morehouse Parish Ku Klux Klan, who figured prominently in the testimony of witnesses at the open hearing and who was among the spectators in good charge.

Judge Odom supplemented the prepared charge with a few extemporaneous remarks and concluded:

"There is only one law and that is the written law. If you should find that anybody has violated the law, 'punish him.'"

Refers Directly to Klan
"The violation of the law to which I have called your special attention has been laid at the door of the Ku Klux Klan. Whether that organization is responsible for these outrages or not is a matter which does not concern you in the slightest. You are not here to unmask klansmen or to disrupt the Ku Klux Klan as an organization. You are to present and indict criminals without regard to their affiliations."

"Before the law, all men, whether they be members of the Ku Klux Klan, the Masonic fraternity, the Knights of Columbus, the B'nai B'rith or the Methodist Church, stand precisely on the same plane; they are all equal. You are to deal with men not with organizations, societies or fraternities."

"If in your deliberations you become convinced that a certain citizen has violated the law, it would never occur to you that you should then inquire whether he was of the Christian or Hebrew faith or whether he was a Mason or a Woodman of the World, and if such a course should be suggested to you, you would feel insulted. Why then, should you be concerned over the question of whether these crimes were committed thru the Klan as an organization or by klansmen as individuals?"

"I make these suggestions, gentlemen in the hope that I may impress upon you the fact that it is your sworn duty to help enforce the laws of the state regardless of sentiments, and regardless of the affiliation or creed of the individual who violates them."

Fellowship of Prayer

Daily Lenten Bible reading and meditation prepared for Commission on Evangelism of Federal Council of Churches.

TUESDAY
The Incarnation of Love

"Whom do men say that I am?" Mark 8:27.

Read Mark 8:14-30.

"The life of Jesus is a truth that cannot be demonstrated to a man whose heart is not right towards God."

MEDITATION: Jesus did not tell his disciples at first his aim in life but allowed his life to show what manner of man he was. If we are like him we do not need to tell it. People know far more about our real nature than we sometimes think they do.

HYMN:

O Love that wilt not let me go,

I rest my weary soul in thee;

I give thee back the life I owe,

That in thine ocean depths its flow

May richer, fuller be.

PRAYER: O God, by whom the meek are guided in judgment, and light riseth up in darkness for the godly; grant us, in all our doubts and uncertainties, the grace to ask what thou wouldst have us do; that the spirit of wisdom may save us from all false choices and that in thy light we may see light and in thy straight path may not stumble; through Jesus Christ our Lord. Amen.

DEATHS

Williams.
The death of Mrs. Martha L. Williams, wife of Henry J. Williams, 822 Ashland avenue, occurred at 1 o'clock Sunday afternoon at Passavant hospital. An infant daughter preceded Mrs. Williams in death on Feb. 22.

The remains were removed to the funeral parlors of Williamson & Son where services will be held at 2 o'clock Tuesday afternoon. Interment will be in Jacksonville cemetery.

Mrs. Williams was born in Jacksonville April 29, 1880, a daughter of Mr. and Mrs. Frank Metcalf. She leaves her husband, her mother and two brothers, Albert and Abram Metcalf, both of Jacksonville.

SCHOOL BOARD PLANS FOR END OF YEAR

Committee Authorized to Secure Commencement Speaker.

Arrangements Made for April Election — State Superintendent's Office Tells Compulsant Facts About Ward School Buildings — Board Considers Ways to Meet Conditions.

The board of education at a regular meeting held Monday night instructed the clerk to make the necessary preparations for the election which is to be held on the second Saturday in April. The terms of President Black and members Fiedler, Caldwell and Hopper expire this year.

The teachers and course of study committee, together with the superintendent, were authorized to secure a speaker for the high school commencement which will be held this year June 1. The board met with Dr. C. E. Black, presiding, with members Roberts, Metcalf, Duncan, Hopper, Caldwell, Meulhausen and Rogerson, present.

Superintendent B. F. Shafer made a brief report of the recent meeting of school superintendents in Cleveland. He made special reference to the establishment of a research bureau by the National Educational association, to which application may be made by superintendents for information along any special line. The superintendents have long felt the need for such service.

Supt. Shafer mentioned that next Friday has been designated an institute day and that teachers have the privilege of leaving their school duties that day in order to attend the state convention.

The superintendent read a letter from W. S. Booth, assistant state superintendent of public instruction, who recently inspected the school buildings of Jacksonville.

Mr. Booth found the high school, the junior high and the open air school buildings in very commendable condition. However, he pointed out in no uncertain terms that the ward school buildings are antiquated and inadequate for present day purposes. The text of this letter is printed below. The conditions had previously been pointed out by Supt. Shafer.

After the letter had been read there came a general discussion of the possibility of improving the ward buildings. It was stated that it would be a very slow process to secure such buildings if it is necessary to wait for the present bonded indebtedness to be reduced sufficiently to permit the erection of needed buildings or the making of extensive improvements.

President Black expressed the view that the more feasible way would be to increase the size of the school district as has been suggested. He said by this plan that additional property to a value of \$2,075,000 could be included and that the additional tax money would make new buildings possible and secure the better school facilities for the more than 300 pupils now living in the district adjoining Jacksonville.

The letter referred to above follows:

February 16, 1923.
President Board of Education, Jacksonville, Illinois.
On February 14 an inspection of your school buildings was made in company with your superintendent, Mr. Shafer.

Your high school and junior high school buildings are modern and up to date in every way. I wish I could say the same for your elementary school buildings. The Jefferson is, perhaps, your poorest building, but the Franklin, Morton, LaFayette and Washington are not modern. The lighting in all of the buildings is unsatisfactory. In some of the rooms the lighting was improved by re-tinting the walls and ceilings. Other rooms should receive attention along that line as soon as the board can find it convenient to do so. Nearly all of the window shades are of the wrong color. Some light or natural color should be used. A system of ventilation has never been installed in any of the above buildings. In so many places the stairways and passage ways are

crooked and narrow. So much so that it is rather difficult for a stranger to find his way thru some of the buildings. The two big things that your buildings need are light and ventilation. It would be unwise to undertake to remedy all of the above things in a short time. It seems to me that Jacksonville should work out a building program. This program should extend over quite a number of years. If the board can find a way to finance it, it might be well this coming year to plan to build or modernize one of your buildings. In your program it may be found necessary to seek a new location. This should be thought out before any change in buildings takes place. Jacksonville can point with great deal of pride to her high school and junior high school buildings. I am sure the people would be delighted to be able to say the same thing about their elementary school buildings. A city, such as Jacksonville, cannot well afford to have such poor buildings for the little children.

I was very much pleased to see what you are doing for the children that are not so fortunate in health and general work as most children are. The building, equipment and general conditions suggest, I think, the spirit of Jacksonville. I wish you would please say to the board I was very much pleased to see what you are doing in this open air school. This, as I stated above, suggests what I think Jacksonville can do for all of her boys and girls in the way of good school buildings.

If you have not already done so, I suggest that you employ some good architect to make a survey of your buildings and suggest the probable cost to modernize them. This will help you to determine whether you should remodel or construct new buildings. This would give you a definite building program. Quite often in old buildings it costs nearly as much to modernize them as it does to build them from the ground up. As I stated above, such a program should extend over a period of years but it seems very evident to me that it is time for Jacksonville to make a move in that direction.

I am more than pleased to say that thruout the schools I found an excellent spirit among teachers and children. I wish to commend you for that part of your school, because, after all, the greatest factors in a good school system are superintendent, supervisors, principals, teachers and pupils. Your one big problem therefore is to provide modern buildings for your elementary schools.

Jacksonville is, I think, abundantly able to finance such a movement. If this cannot be started this coming season, I am confident you will find some way to start such a movement in the near future.

In a program such as I have suggested above it would be well for you to take into consideration the districts in Jacksonville and around your place because their interest should be looked after as well as your own.

Superintendent Shafer understands every detail of this report. He is a man who can lead you in such a building program. He is interested in the betterment of your schools and I am confident that you can follow his leadership.

Sincerely yours,
WY. S. Booth,
Assistant Superintendent.

HELD WASHINGTON POST MANY YEARS

Thomas P. Kane, Long Deputy Controller of Currency, Died Suddenly—Was Known to Many Illinois Bankers.

State Auditor Andrew Russel has just returned from Washington, D. C., where he has been for a number of days past. Mr. Russel was in the national capital on business connected with the federal reserve bank and with the comptroller of the currency.

Thomas P. Kane has for a long period held the position of deputy comptroller and Mr. Russel has known him for more than twenty-five years. One morning during his absence Mr. Russel was in conference with Mr. Kane for two hours or more and he was greatly grieved to read in the Washington Post the next evening of Mr. Kane's sudden death from heart disease.

A great many Illinois bankers knew Mr. Kane and learned of his death with sorrow.

The Washington paper gave the following facts about Mr. Kane's connection with the comptroller's office:

Thomas P. Kane, deputy controller of the currency, seventy-four years old, and nationally known among bankers, died suddenly at his home, 1931 Calvert street last night. Death is believed to have been due to heart trouble and high blood pressure. Mr. Kane spent the entire day yesterday at his desk. Eating his regular evening meal, Mr. Kane retired early and expired some time during the night, his death being unknown to the family until an attempt was made to call him this morning. Funeral arrangements have not been completed.

Mr. Kane was deputy controller of the currency twenty-five years. He recently achieved distinction through the publication of a book, "The Romance and Tragedy of Banking," outlining the history of the national banks in the United States since passage of the national banking act in 1863.

He entered the comptroller's office in May, 1886, as secretary to William L. Trenholm of South Carolina, and was appointed deputy comptroller in 1899 by Charles G. Dawes, then comptroller, later brigadier general of the army and director of the bureau of the budget.

Mr. Kane was born in Brandywine, Del., December 24, 1848. With his family he later moved to Trenton, N. J., where he was educated. In 1866, Mr. Kane came to Washington, where, at various times, he was secretary to Representative Starin of New York, and was also connected with the pension bureau.

Comptroller Crissinger declared that it had been a shock to all his personal and official friends, and that the vacancy would be exceedingly difficult to fill.

Mr. Kane was serving his second extension of time beyond the retirement age. He is survived by one son, Thomas F. Kane, a national bank examiner.

REVIVAL BEGINS AT MT. EMORY CHURCH

Young Evangelist is to be Heard Each Night This Week at Mt. Emory Baptist Church.

The revival at Mt. Emory Baptist church opened Monday evening with a large congregation present and excellent prospects for a stirring revival. Rev. Herman Gore of Columbus, Ohio, the boy evangelist, is here to conduct the services. Rev. Mr. Gore is but nineteen years of age but has been in the evangelistic field for the past five years. During that period he has preached in a number of states and Canada and under his preaching over 3,800 people have been converted.

At the Western Avenue Baptist church in Danville, of which Rev. Mr. Woolsey is the pastor, the youthful evangelist held a revival and had 91 conversions.

Rev. Mr. Gore will fill the pulpit each evening and tonight will speak on the subject "The Resurrection." A cordial invitation is extended to the public to attend these services.

Prayer service starts each evening at 7:30 and the revival service commences promptly at 8 o'clock.

MAJOR GEN. ALLEN MAY VISIT JACKSONVILLE

Col. O. C. Smith, chairman of the committee of arrangements for the dedication of the soldiers hospital which is to be held at the time of the reunion of Spanish War veterans June 15, yesterday sent an invitation to Major General Henry T. Allen to be present.

Col. Smith served on General Allen's staff in Europe during America's participation in the world war and so has personal acquaintance with the general.

It was only recently that Gen. Allen, who has been in charge of the American troops in Germany, returned to the U. S. following the recall of the troops by President Harding.

Col. Smith and the members of the committee are very hopeful that Gen. Allen will accept, as his coming will add importance to the occasion.

SCOTT CARTER DIES MONDAY IN CHICAGO

Well Known Local Resident Passes Away After Six Weeks in Chicago Hospital—Remains Will Arrive Here This Evening.

Scott P. Carter, 847 Routt street, a well known and widely respected citizen of Jacksonville, died at 11 o'clock Monday morning at the North Shore hospital in Chicago, where he had been for the past six weeks. He underwent an operation there and was improving, when he became seriously ill of pneumonia. His wife, his daughter, Miss Lillian Carter and his son, Lloyd Carter of East Peoria, were with him at the time of his death.

Mr. Carter was born in Neeleyville in 1861 and has resided in this city about forty years. He was a contractor and builder and worked for many citizens of this city and surrounding community. He was a member of Central Christian church.

Besides his wife and two children, Mr. Carter leaves three brothers: C. C. Carter of this city, and Curtis and Jesse Carter of Bluffs. He was a member of the Odd Fellows Lodge, and members of the fraternity in Chicago prepared the body for shipment to this city.

The remains are expected to arrive here this evening, and will be taken to the Gillham Funeral Home. Funeral arrangements will be announced later.

WILL PRESENT COMEDY AT WINCHESTER

The Murrayville Rebekah lodge will present "The Arizona Cowboy" at Winchester tonight. The play will be given in the Odd Fellows hall or at the Lyric theatre if the hall will not accommodate the crowd. This is the play which the Murrayville lodge has presented several times in the past few weeks, each time with splendid success.

No more Rheumatism

"Suffering has gone from your face, mother!"

S. S. S. is the Great Builder of Red Blood-Cells and Rheumatism Must Go Just Try It!

"Rheumatism? No? No, indeed, it's all gone, every bit of it! It's sunshine and joy for me now for the first time in years. I feel a wonderful glow again in the free motion I used to have when my days were younger. I look at my hands and think of the twinges and swellings they used to have. I head way over to the floor. I haven't been able to do that in many years. I can thank S. S. S. for it all! To me it was a rising sun of joy and liberty. Brothers and sisters in misery, do not close your eyes and think that health, free motion and strength are gone from you forever! It is not so. S. S. S. is waiting to help you. There is a reason why S. S. S. will help you. When you increase the number of your red-blood cells, the entire system undergoes a tremendous change. Everything depends on blood-strength. Blood which is minus sufficient red-cells leads to a long list of troubles. Rheumatism is one of them. S. S. S. is the great blood-cleanser, blood-builder, system strengthener, nerve invigorator. It stops skin eruptions, too, pimples, blackheads, acne, boils, eczema. It builds up run-down, tired men and women, beautifies complexion, makes the flesh firmer. Start S. S. S. today. It is sold at all drug stores in two sizes. The larger size bottle is the more economical."

S. S. S. makes you feel like yourself again

ALEXANDER CLUB TO MEET WEDNESDAY

Woman's Club to Hold Monthly Session at Home of Mrs. Harry Foster—Other Alexander News

Alexander, March 5.—The regular meeting of the Alexander Woman's club will be held Wednesday afternoon at the home of Mrs. Harry Foster. Just north of Alexander, Miss Helen Hines will present a paper the subject of which will be "An Appreciation of Dante." There will be other interesting features on the program of the afternoon and it is hoped the members will be present in goodly numbers.

Mrs. Leser Gray, who has been a patient at Our Savior's hospital in Jacksonville for several weeks, has returned to her home here.

Mr. and Mrs. F. J. Kaiser were Jacksonville visitors Monday.

John Wagner, Jr., of Dawson, Ill., is visiting at the home of his grandmother, Mrs. Mary Wagner, in Alexander.

The Boy Scouts held a regular meeting Monday evening in the school building. K. V. Boerup is the Scout Master of this recently organized group of boys, and there is already a great deal of interest among the boys who belong to the troop.

Mr. and Mrs. A. G. Watret, who have been living in Alexander, have moved to the farm of Mrs. Sarah Ruble north of Alexander.

Mrs. Martin Miller and daughter George spent Monday with Kenneth Miller at the Chad-dock School for Boys at Quincy.

NEW BAND ORGANIZED AND OFFICERS NAMED

Forty-Five Men Enrolled as Charter Members of Big Community Musical Organization, J. Bart Johnson Will Direct Band.

A new civic band for the city and community of Jacksonville was organized at an enthusiastic rehearsal and business meeting Monday evening in the Chamber of Commerce rooms. About forty-five men attended the meeting and became charter members of the band. Many of these are from Merritt and Woodson, and already hold positions in the bands at these points. However, a considerable number of local musicians are interested in the band and have enrolled as members.

The band men elected the following officers and board of directors:

IOWA IS UPSET BY INDIANA

BLOOMINGTON, Ind., March 5.—Iowa, leader in the western conference basketball race met its first defeat of the season here tonight at the hands of Indiana, 23 to 21. Until tonight's contest, the final game of Iowa's western conference schedule the latter team had to its credit eleven straight victories and no defeats. Nyikos, Indiana forward, was the individual star of the game, scoring 21 of his team's 23 points.

After the contest college officials declared the game to have been the best ever witnessed on the local floors. Iowa tried desperately to overcome the lead Indiana held throughout most of the contest, and exhibited many sensational shots from the center of the floor. Every inch of ground was contested by the opposing players and their eagerness resulted in the calling of many personal fouls. During the first ten minutes of play three personal fouls were called each on Nyikos and Parker of Indiana, and Funk of Iowa. Parker and Funk were both out of the game later with four personal fouls to their credits.

Nyikos a sophomore who is playing his first season with Indiana, shot five field goals and scored 11 free throws for 21 of his team's points. His remarkable offensive work was an outstanding feature of the game.

As a result of the defeat of Iowa tonight, Wisconsin has a chance to tie the former team for the western conference title.

WHITE MULE CAUSE OF TWO MORE DEATHS

Springfield, Ill., Feb. 5.—Two more violent deaths were marked against "white mule" here this morning, as workmen under direction of County Coroner Branson recovered the charred bodies of George Daniels and Barney Ely, who were burned to death at 1 o'clock this morning in Daniels' shack one mile east of the city. The men were well known police characters.

Daniels, it was said by neighbors, had invited Ely to his hut for a "little mule party." It is presumed they indulged freely and probably knocked over a lamp, and in their befuddled conditions were unable to save themselves. It was reported, the coroner said, that their attempts to escape were heard, but help reached them too late.

PETERSBURG WINS FROM DOKAYS 17-14

Visitors Take Hard Fought Game—Contest Is Fast With Both Teams Showing Well.

In one of the fastest and hardest fought games seen on the David Prince floor this season, the Petersburg Independents defeated the Dokays last night by a score of 17 to 14.

The game in addition to being fast was rough but the players of both teams were good natured and there was no attempt at deliberate roughness.

During the first half the Dokays outplayed Petersburg, the score at the half way period being 9 to 7 in favor of the locals. Struck went out on personal fouls in this half which necessitated a change in the lineup which undoubtedly weakened the Dokays. In the second half the visitors reversed things and made 10 points while the best the Dokays could do was five points. Kennedy and Jones scored the points for the Dokays.

For Petersburg the points were made by E. Mitchell, Thompson, Drablene and H. Mitchell.

The score:

FARM BUREAU PLANS BIG ESSAY CONTEST

Hundreds of letters were mailed Monday from the office of the Morgan county Farm Bureau, announcing plans for a county-wide essay contest among the boys and girls. The letter follows:

The Morgan County Farm Bureau has outlined an essay contest as part of its reorganization campaign. The Farm Bureau works constantly for the farmers. The committee feels that farm boys and girls should learn more about it.

The contest is open to every boy and girl between the ages of 10 to 18, who lives on a farm in the county or whose parents own farm land in the county.

The essay should contain 250 to 300 words on the subject, "What Has the Farm Bureau Done For Morgan County?" Your essay must be headed by your name, address, age, township, your father's name and the title.

Have your essay in the Farm Bureau office, Jacksonville, by noon, Saturday, March 17, the time for closing the contest. Competent judges will decide on the prize winners.

The premiums are as follows:

EVERYTHING READY FOR BIG AUTO SHOW

Reports Made by Committee at Banquet of Automotive Association Last Night—Many Added Features for this Year's Show.

Everything is in readiness for Jacksonville's fourth annual automobile show and merchants' exposition, March 12 to 17 inclusive, so far as the work of the several committees is concerned. The entire space reserved for automobiles and trucks has been taken as well as some of the space usually reserved for regular commercial lines. On the commercial side there remains now to be disposed of but four small spaces and these probably will be spoken for within the next day or two.

The above facts were brought out at an enthusiastic meeting of the Jacksonville Automotive Dealers' association held last night at the Dunlap hotel. The business session was preceded by a banquet at 6 o'clock served in the large dining room of the hotel with every member of the association present.

The auto display this year will be more than ordinarily interesting in the extra number and makes of cars shown, many cars being displayed for which there are no local dealers.

On the commercial side also there will be a widely varied exhibit, everything of the latest design and from a furnace to a piano and from groceries to clothing. Visitors to the show will not find a dull moment.

The work of decorating the Auto Inn, where the show is to be held, will commence Friday morning and everything will be in readiness for exhibitors to begin moving in Sunday. It is the hope of the management that exhibitors will use all possible speed in getting in and settled as it is desired to offer visitors a completely finished and artistic display on the opening day, free from confusion and noise. The decorations and the lighting arrangements will make the Inn a scene of beauty as well as of general interest. And the public should remember that admission is free at all times.

The upper floor of the Inn is reserved for dancing and, as is the case with the exhibits, is under the sole direction of a committee of automobile men consisting of Charles M. Strawn, John G. Berger and J. F. Claus.

Mr. and Mrs. O. Spaulding have been selected to have direct charge of the dancing each night. The music for the dancing will be in charge of Warfield Brown, Jr., and the public is assured of first class entertainment in this respect each night.

The official opening of the exposition on the evening of March 12 will be preceded by a booster dinner at one of the hotels. Several persons will attend the affair, including members of the automobile association, exhibitors and guests.

At this banquet will be a number of men known throughout the nation and state. Governor Len Small is expected to be present, together with Secretary of State Louis L. Emmerson, Col. Frank L. Smith, Hon. David Shanahan, State Auditor Andrew Russell, Col. E. R. Miller and Hon. S. S. Tanner. Mayor Crabtree is expected to be toastmaster at the banquet.

The opening of the show on the same evening will bring on an excellent program. There will be music and speaking by the distinguished guests. The state officers and other guests will be invited to speak upon any subject that they may choose. As several of these men are considered as probably gubernatorial candidates in the next election, their coming will be an event of more than usual interest.

A short time ago Mayor Crabtree, acting upon request of the Automotive Dealer's association, invited Henry Ford to come to Jacksonville and be a guest on the first day of the exposition. Mr. Crabtree's tele-

The reply to this telegram was: "Mr. Ford thanks you for your kind invitation, but regrets that present plans will not permit his acceptance. He trusts, however, that the occasion will be an unequalled success. Frank Campbell, Secretary to Henry Ford."

ODRAIN FOX TO LEAVE FOR SOUTH SOON

Ordrain Fox will leave later in the week for Chicago to attend the conference of superintendents of the Redpath lyceum bureau. This conference is in preparation for the season which is soon to open. A little later Mr. Fox will go into the south to again engage in the work in which he made such a successful record last year. His itinerary during the next six months will take him to many of the southern states and then into several in the central group.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

CHARGED WITH SWINDLING IN KANSAS

(By The Associated Press)

KANKAKEE, Ill., March 5.—A man giving the name of Joseph L. Gardneur here and thought to have given the name of L. Cagnan in McPherson, Kansas, where it is alleged he swindled citizens of about \$60,000 is under arrest here today. His arrest was made on information of George Burmeister, in charge of the protection department of the New York Stock Exchange, Chicago Board of Trade and representatives of the Burns Detective Agency, who have been on the man's trail for months.

He is believed to have obtained several thousand dollars from Kankakee business men by the same methods used in the Kansas town. He is said to have posed as a man able to give sure tips on stocks and thereby gained confidence and invested money for men.

CHICAGO BANK OFFICER TO TALK ON POLITENESS

Lee W. Liberman Will Come to Jacksonville Today on Invitation of E. E. Crabtree.

Politeness as a commercial asset is to be the subject of a talk by Mr. Lee W. Liberman, a Chicago bank official, who will talk today to the officers and employees of the Farrell State bank. Mr. Liberman comes to Jacksonville at the invitation of President E. E. Crabtree of the Farrell State Bank. The visitor is an official of the Greenbaum Sons Bank & Trust company, the oldest banking house in Chicago. He has made a study of politeness as an asset in banking and

other commercial institutions. "It does not cost a cent to be polite," says Mr. Liberman, "and it is the fundamental asset of any institution. Every employee who is polite exerts an influence on the customer that cannot be measured in dollars and cents. In fact, it is invaluable, and it has the advantage of making the

work of employees much easier. A man or woman who is polite imbues an element of cheer into the patron that is never forgotten."

For a number of years Mr. Liberman has talked to employees of numerous banking and commercial institutions with the result

that in every instance where his principles were applied there was a marked increase of business. At least a score of banks in this state have had his services.

MAKES ANSWER TO ACCOUNTING BILL

ANDREW RUSSEL DENIES CHARGES MADE BY ATTORNEY GENERAL

Records of Treasurer's Office During His Term Kept Intact—Interest Earnings Paid Over to the State in Accordance With Law.

In Springfield yesterday attorneys for State Auditor Andrew Russell filed answer to the bill for accounting filed by Attorney General Brundage a number of months since. At the December term of the Sangamon county circuit court the rule was entered requiring that Mr. Russell and other state officials against whom civil bills were filed should make answer by the March term.

Yesterday was the first day of the March term. Mr. Russell's attorneys as indicated, filed answer and attorneys for Governor Small and Lieutenant Governor Sterling asked for continuance for 60 days. Attorneys John J. Reeve of this city and Sherman & Bainum of Springfield acted in behalf of Mr. Russell.

The bill made a matter of record specifically states that all Mr. Russell's records as state treasurer were left by him as a part of the files of the office. The answer also in detailed form sets forth that no moneys were received by the state treasurer directly or indirectly which he did not turn over to the state. Paragraphs from the bill filed are quoted herewith:

Kept Record Law Requires.

Respondent admits that it was his duty as State Treasurer during his term of office to receive the revenues and other public moneys of the State of Illinois, and all moneys authorized by law to be paid to him, and to safely keep the same, and to disburse the same in the manner prescribed by law, and to deliver up to his successor in office all moneys, papers, books, records and other property pertaining to said office, whole, safe and undivided.

And, well knowing the provisions of the law pertaining to his duties, this respondent, further answering, says that he did receive the revenues and other public moneys of the State of Illinois and all moneys authorized by law to be paid to him, and that he safely kept the same; that he did disburse the same in the manner prescribed by law, and did deliver up to his successor in office all moneys, papers, books, records and other property pertaining to said office, whole, safe and undivided.

Respondent admits that it was his duty to keep regular and fair accounts of all moneys received and paid out by him from all sources, stating particularly on what account such moneys were received and paid out.

And this respondent, further answering, states that he did keep regular and fair accounts of all moneys received and paid out by him from all sources, stating particularly on what account such moneys were received and paid out.

And this respondent, further answering, states that he did keep regular and fair accounts of all moneys received and paid out by him from all sources, stating particularly on what account such moneys were received and paid out.

CITY ELECTION WILL BE HELD IN APRIL

Council Heard Ordinance For It Read At Last Night—Recent Suit A Spur to Sidewalk Inspection—Officers Reports Presented.

A regular meeting of the city council was held Monday night, with Mayor Crabtree, City Clerk Scott and all aldermen present. The ordinance was given a first reading calling a regular city election for Tuesday, April 17. The ordinance for the paving of East College avenue and North East streets as transmitted by the board of local improvements were passed.

The city scales which has been in use for some time past may be sold. It was decided that action with reference to the scales should be left to the public improvement committee. The coming of spring has revived the sidewalk talk and Alderman Sorrell reported that preliminary steps had been taken for the laying of about four miles of walks, work which was carried over from last fall.

The recent suit filed against the city because of a personal injury case caused by a defective sidewalk forcibly brought to notice the dangerous condition of some side walks within the business district.

Alderman Sorrells brought this matter to attention and the public improvement committee, the city engineer and the superintendent of streets were instructed to make a written report with reference to sidewalk conditions in the business district.

Officers' Reports.

Officers' reports for the month were read. John E. Pires, sexton of Jacksonville cemetery, reported 13 graves made and Harry Summers, sexton of Diamond Grove cemetery, reported 9 graves made during the month.

Report of J. E. Scott as city clerk showed receipts of \$329.50; from Diamond Grove cemetery, \$561.50; from Jacksonville cemetery \$130.50.

W. T. Dyer, justice of the peace, made report of fines collected of \$50; city costs \$16.80 and J. P. costs \$27.

The report of Frank Kilran, chief of police, showed the number of arrests 21. Of these cases 9 were city and 12 state, the amount of fines and costs collected being \$93.90. The arrests were for the following causes: drunkenness 7, disorderly conduct 1, speeding 1, larceny 2, forgery 1, vagrancy 4, delinquency 3, bootlegging 2.

The report of W. H. Cobb, superintendent of the water department showed total collections for the month of \$5,130.93, of this amount \$4,953.99 being for water sold.

The report of H. K. Chenoweth, city treasurer, showed balance in the general fund of \$238.82. The balances in the various special funds together with that in the general fund make up a total of \$58,654.80.

GEORGE C. GUTHRIE LAID TO REST MONDAY

Funeral of Well Known Merchant Held at Westminster Church With Large Assemblage Present.

A large company gathered at Westminster church Monday afternoon for the funeral service held in memory of George C. Guthrie. During a period of years Mr. Guthrie had been actively connected with that church, serving as superintendent of the Sunday school and as an elder.

The service was in charge of Dr. Thomas Smith, pastor of the church, who had known Mr. Guthrie and greatly prized his friendship.

Dr. Smith read from the Psalms, the 14th chapter of John and other passages of Scripture, and offered prayer. Then he spoke briefly from the Psalm, "Thy gentleness hath made me great." The minister said that Mr. Guthrie had lived so beautifully that it was more eloquent than words, yet he could not but make some reference to it.

He spoke of the uprightness of Mr. Guthrie's life in business and of his day by day Christianity. "This man who went thru the world with hands unsoiled." What he did spoke so loud that there was no need for his words. In his speech there was never a sting. His words were like his touch—a healing kind. He had that humility that stooped to love and assist. There was no shadow of pretense about him, but he enshrined his friends in the quietness of his loving heart and in truth 'did justice, loved mercy and walked humbly in the sight of God'.

Mrs. H. C. Woltman sang two solos, "The Home of the Soul," and "Face to Face." Then the pastor quoted "Crossing the Bar," and with the benediction the church service was at an end.

The cortege moved to Diamond Grove cemetery where interment took place and the committal service was in charge of Dr. Smith. There was a profusion of beautiful flowers and these were cared for by Mrs. Homer Potter, Mrs. John Mitchell, Mrs. C. Bradish.

CITY ELECTION WILL BE HELD IN APRIL

Council Heard Ordinance For It Read At Last Night—Recent Suit A Spur to Sidewalk Inspection—Officers Reports Presented.

A regular meeting of the city council was held Monday night, with Mayor Crabtree, City Clerk Scott and all aldermen present. The ordinance was given a first reading calling a regular city election for Tuesday, April 17. The ordinance for the paving of East College avenue and North East streets as transmitted by the board of local improvements were passed.

The city scales which has been in use for some time past may be sold. It was decided that action with reference to the scales should be left to the public improvement committee. The coming of spring has revived the sidewalk talk and Alderman Sorrell reported that preliminary steps had been taken for the laying of about four miles of walks, work which was carried over from last fall.

The recent suit filed against the city because of a personal injury case caused by a defective sidewalk forcibly brought to notice the dangerous condition of some side walks within the business district.

Alderman Sorrells brought this matter to attention and the public improvement committee, the city engineer and the superintendent of streets were instructed to make a written report with reference to sidewalk conditions in the business district.

Officers' Reports.

Officers' reports for the month were read. John E. Pires, sexton of Jacksonville cemetery, reported 13 graves made and Harry Summers, sexton of Diamond Grove cemetery, reported 9 graves made during the month.

Report of J. E. Scott as city clerk showed receipts of \$329.50; from Diamond Grove cemetery, \$561.50; from Jacksonville cemetery \$130.50.

W. T. Dyer, justice of the peace, made report of fines collected of \$50; city costs \$16.80 and J. P. costs \$27.

The report of Frank Kilran, chief of police, showed the number of arrests 21. Of these cases 9 were city and 12 state, the amount of fines and costs collected being \$93.90. The arrests were for the following causes: drunkenness 7, disorderly conduct 1, speeding 1, larceny 2, forgery 1, vagrancy 4, delinquency 3, bootlegging 2.

The report of W. H. Cobb, superintendent of the water department showed total collections for the month of \$5,130.93, of this amount \$4,953.99 being for water sold.

The report of H. K. Chenoweth, city treasurer, showed balance in the general fund of \$238.82. The balances in the various special funds together with that in the general fund make up a total of \$58,654.80.

GEORGE C. GUTHRIE LAID TO REST MONDAY

Funeral of Well Known Merchant Held at Westminster Church With Large Assemblage Present.

A large company gathered at Westminster church Monday afternoon for the funeral service held in memory of George C. Guthrie. During a period of years Mr. Guthrie had been actively connected with that church, serving as superintendent of the Sunday school and as an elder.

The service was in charge of Dr. Thomas Smith, pastor of the church, who had known Mr. Guthrie and greatly prized his friendship.

Dr. Smith read from the Psalms, the 14th chapter of John and other passages of Scripture, and offered prayer. Then he spoke briefly from the Psalm, "Thy gentleness hath made me great." The minister said that Mr. Guthrie had lived so beautifully that it was more eloquent than words, yet he could not but make some reference to it.

He spoke of the uprightness of Mr. Guthrie's life in business and of his day by day Christianity. "This man who went thru the world with hands unsoiled." What he did spoke so loud that there was no need for his words. In his speech there was never a sting. His words were like his touch—a healing kind. He had that humility that stooped to love and assist. There was no shadow of pretense about him, but he enshrined his friends in the quietness of his loving heart and in truth 'did justice, loved mercy and walked humbly in the sight of God'.

Mrs. H. C. Woltman sang two solos, "The Home of the Soul," and "Face to Face." Then the pastor quoted "Crossing the Bar," and with the benediction the church service was at an end.

The cortege moved to Diamond Grove cemetery where interment took place and the committal service was in charge of Dr. Smith. There was a profusion of beautiful flowers and these were cared for by Mrs. Homer Potter, Mrs. John Mitchell, Mrs. C. Bradish.

A Good Living and Something Besides

With cows and a De Laval Separator, you are sure of a good living and often something besides. With cream or butter to sell, bringing in a steady cash income; with milk, cream and butter for your table; and with skim-milk to raise calves, pigs and chickens, you are absolutely safe.

And the De Laval Separator has done more than any other factor to make this so. It is the original separator, skims cleaner under all conditions, wears longer, and is easier to operate and clean than any other. We shall be glad to prove this to you. Give us an opportunity.

Grace Church Doings

Grace Sunday School came out victor on the first Sunday of the contest with the Bloomington school. It was reported that the weather was very unfavorable in Bloomington, while the weather was not very inviting in Jacksonville either. There were on time in the Bloomington school 180 and in the local school 209. There were in attendance at Bloomington 366 while the local school reported 390. There were six new scholars in the home school, while Bloomington did not report any.

The local school has made a splendid beginning in the contest but when Bloomington gets to going the report will not appear so one-sided.

It was Missionary Day in the school and an appropriate program had been prepared, consisting of suitable songs and an interesting review of conditions in India by Miss Lula D. Hay. The missionary offering amounted to \$42.07.

The sermon by the pastor at 10:45 upon the theme "what claim has Christ on Us" was a searching presentation of the positive claim that Jesus has upon us.

At 6:30 the various Leagues met in profitable sessions. The Junior League is getting a nice start, being just recently organized.

The topic of the evening sermon was "Things that Abide." The music at all services was very pleasing.

The Opportunity Circle will meet with Mrs. R. A. Gates, 1036 West Lafayette avenue, on Monday evening. The program will be rendered by the students of the Woman's College.

The Junior Scouts will meet Tuesday afternoon at the close of school. The Woman's Foreign Missionary Society will meet Wednesday afternoon in the parlors of the church. The circle led by Mrs. Nelson Murphy, will be the hostess.

The luncheon for the church supper on Wednesday evening at 6:15 will be served by the workers in the Cradle Roll Department. A special program will follow the function and precede the regular prayer service at 7:30. The Young Women's Fellowship Circle will meet in the church basement immediately following the supper on Wednesday evening.

Members of the church and Sunday School are urged to attend Sunday School regularly as Bloomington will in all probability come back strong next Sunday and overcome our small lead.

YOUNG CYCLIST HAS BAD LUCK IN CITY

Harry Edwards Has Repaired Wheel Smashed By Auto and Is Slightly Hurt. Says He Won't Ride Wheel Here Any More.

Harry Edwards of Naples came to this city Saturday to take home his bicycle, which was here for repairs, and had all kinds of hard luck. After a couple of days in Our Savior's hospital, Harry went home Monday evening—taking a new wheel.

After obtaining his bicycle from the repair shop Saturday young Edwards started to ride to the city limits to see if the roads were good enough to permit him to ride his wheel to Chapin. As he was unfamiliar with the traffic rules, he kept close to the curb; but even this did not save him from mishap. An auto came toward him, and thinking to avoid it, he turned into a driveway. It happened that the driver of the car was headed into the same driveway, and he and Harry had a collision of vehicles. The bicycle was smashed, this time beyond repair, and Edwards came out of it with some of the epidemics missing from his leg. He was taken to the hospital, where the wound was dressed. Monday afternoon he was out and seemingly as well as ever. However, he says it's the last time he will ride his wheel in Jacksonville.

BAPTIST CHURCH PERSONAL WORK CAMPAIGN IS ON

Twelve Answer Invitation Sunday—
Church Seeks Fifty New Mem-
bers by Easter.

The "One-a-Day Revival" now in progress at the First Baptist church, struck its stride on Sunday, when twelve came forward at the invitation of the pastor, Rev. A. P. Howells. Nine of these were received for church membership either by baptism or letter. The pastor has been called by phone asking that admission to church membership be granted also on Wednesday night for others who wish to join the church. He has readily consented, and an opportunity will be given to prospective members to affiliate themselves with the church at the mid-week meeting, as well as the two services on the remaining Sundays during the campaign.

The slogan is "Fifty Additions by Easter." The length of the campaign is fifty days, hence the term, "One-a-Day Revival." The campaign text is Acts 2:47, "And the Lord added to the church daily, such as should be saved." There are no special meetings, but the larger departments of the church have been assigned the securing of five new members each, to complete the quota of fifty. These additions may come by baptism, letter, relation or restoration.

It is estimated that over seventy-five prospective members have been registered on the prospective cards. With one of the largest attendances of the season, the Intermediate B. Y. P. U. conducted a near revival meeting on Sunday night, the young church members testifying to the value of religious experience, that would have done the old saints good to hear. In the Junior Department of the Sunday School, Miss Mabel Withee is conducting a course in religious instruction suggested by Dr. Gilkey of the Hyde Park Baptist church, Chicago, which will lead up to a definite decision for a Christian life before Easter.

ILLINOIS DEAF BOYS LICK MISSOURI TEAM

In a hard fought game at Fulton Mo., Saturday night, the Illinois School for the Deaf basketball team of this city handed the Missouri deaf boys a 20-19 defeat. The five were evenly matched and Coach Burns' men did most of their work in the second act.

The School for the Deaf has one more game this season and that is with the Jacksonville High school team. This contest will probably be played some time this week.

**DEAFNESS, HEAD NOISES
CATARRH CURED**

Next Regular Visit to Springfield at the St. Nicholas Hotel, Wednesday, March 7th (9 a. m. to 5 p. m.)

If you have and eye disease, weak eyes, failing sight, deafness, head noises or catarrh, he will give you a treatment free of charge so that you may see whether it will help you.

HEAD NOISES and DEAFNESS
Head noises are the alarm bells announcing the almost certain approach of deafness. Deafness, like blindness, usually commences in one organ. There are many who are partially deaf in one ear, and do not know it. They realize it soon enough when the other ear becomes affected, as it usually does. Head noises are an indication that catarrh has attacked the Eustachian tubes and the middle ear. The symptoms are noises in the head like the singing of a teakettle or crickets, puffing like an engine, a resuscitating steam, falling water, buzzing of bees, rumbling of cars, ringing of bells, pulsating sounds; hearing better at times than others, or hearing better in confusion or noise, and hearing worse in bad weather or when you have a cold. At first you may be able to hear, but do not understand, or you can hear if anyone speaks directly to you, but not when in a room where others are talking. Only one who has made a life study and thoroughly understands the nature of catarrh and ear diseases, can successfully treat such cases.

Dr. Oneal's experience and success in treating deafness is well known. A cure does not depend upon the degree of deafness nor how long it has existed. It depends upon the condition of the Eustachian tubes and the ear drums.

CROSS-EYES—Dr. Oneal has a method of his own for straightening cross-eyes. He does not use chloroform and there is no pain. Reference to many cured cases in and around Springfield. Don't forget the date of Dr. Oneal's visit. Let him give you a thorough FREE TREATMENT suited to your case. Remember, at the St. Nicholas Hotel, Springfield, March 7th. Tell your friends. For further information address Dr. Oren Oneal, 177 North State St., Chicago. (adv.)

BROOKLYN BREVITIES

The attendance at Sunday school showed a 27 per cent increase over the preceding Sunday, reaching the high water mark of 126. It is confidently predicted that next Sunday will see 150 present. The Rainbow class captured the banner with a 100 per cent attendance. This session also opened the "Go-to-Church Campaign." Forty-five members of the Sunday school had their attendance cards punched and remained to the church service. The sermon was on the subject of "Soul Fishing." The pastor said that there are three articles of equipment needed for the soul fisher: A passion for the task, a skillful method and a sense of responsibility. There was no unusual attraction for the evening service, but the audience came just to hear the old-fashioned Gospel message from the text "What shall it profit a man if he gain the whole world and lose his own soul?" At the close of the sermon, two people united with the church. Next Sunday evening, Dr. E. L. Fletcher will be the preacher. He will also administer the sacrament of the Lord's Supper and hold the third Quarterly Conference. Remember the Church Night Program on Wednesday evening at 7:30 and the Union Revival beginning at Grace church next Monday night.

HEALTH IDEALS IS FORUM TOPIC HERE

Dr. Allen Craig, assistant director of the American College of Surgeons, addressed a large audience at the Congregational forum Sunday evening, speaking on "Modern Health Ideals." He told the people that food, flies and fingers are the three main disease spreaders, and urged them not to wait until they are sick to go to the doctor. His address was divided into three parts under the heads, Education, Co-operation and Examination. He first told about the education of a physician, the two years of college, four years of medical school and period of interne work. Anatomy, physiology, medicine, pathology are a few of the subjects they have to study. "Many people say that all this health campaign talk is just a fad," he said, "but it isn't." From a financial point of view alone, good health pays. Thousands of dollars are lost each year by the colds and illnesses which keep people from their work.

Another traditional idea, which he rejected emphatically, was the notion of many parents that children had to have the children's diseases. Often they expose their children to them to get through with it," he said. "Weakened condition follows all these diseases. A cold may mean bronchial pneumonia. There is no need for it."

Jacksonville has two standardized hospitals which should be supported by the community, Dr. Craig declared. A standardized hospital means a hospital that has medical staff meetings, laboratories, the X-ray equipment, besides the staff of trained nurses.

WHITE HALL RESIDENT DIED OF PNEUMONIA

White Hall, March 5.—The death of Miss Nonie Barry took place in Walton hospital at 12:45 this morning as the result of pneumonia, with which she was attacked five days before her death, and on the following day was taken to the local hospital. She was the aunt of Mrs. L. C. Smith, and was fifty-seven years of age. She had been here most of the time during the past year, and at times for several years. The remains will likely be taken to Springfield for burial. No arrangements for the funeral will be made until the arrival of a sister, Mrs. George Hesser, from Springfield. Mrs. L. C. Smith is in a critical condition with pneumonia in her home on West Franklin street.

Mrs. Charles Hankins is ill at her home, 992 East College avenue.

WORTH MANY TIMES ITS COST, STATES MRS. KLEE

Peoria Lady Declares Tan-lac Completely Overcame Stomach Trouble, Soothed Frayed Nerves, Restored Sleep and Gave Her Full Strength and Vigor.

"I consider Tanlac has been worth many times its cost to me," recently said Mrs. L. Klee, of 1126 Antoinette St., Peoria, Ill.

"I feel very grateful for the wonderful relief the treatment has brought me for I was suffering so badly from stomach trouble I was always feeling miser-

able and worn-out. I had no appetite to speak of and the little I did eat disagreed with me. My nerves were all unstrung, I had headaches and weak spells, and was so restless I would be wide-awake for hours each night.

"But it is just grand the way Tanlac has changed things around for me. My digestion is splendid now, and I am enjoying every meal to the limit. All the other troubles have disappeared, too, and I am sleeping peacefully and feeling stronger and better in every way. I praise Tanlac every chance I get for I believe it will help anybody.

Tanlac is for sale by all good druggists. Over 35 million bottles sold.—Adv.

NEW YORK, March 5.—With
 congress adjourned and the fear
 of hostile legislation removed for
 several months' speculation resumed
 their operations with
 fresh confidence and increased
 vigor in today's stock market
 basing their campaign for higher
 prices on the federal reserve
 bank optimistic survey of busi-
 ness and money conditions dis-
 commodity prices and steadily ex-
 panding earnings as revealed in
 the latest series of sales and in-
 come reports.

Industrial averages again estab-
 lished new peak prices since the
 spring of 1920. Dividend-paying
 railroad shares indulged in a
 temporary display of strength
 early in the session but forfeited
 some or most of their gains in
 the heavy profit-taking sales
 which took place late in the ses-
 sion.

ENJOYABLE SOCIAL AFFAIR AT ASHLAND

Mr. and Mrs. Robert Anderson, Jr., Entertained by Friends at Luncheon Recently — Other Ashland News.

Ashland, March 5.—Mr. and Mrs. Robert Anderson were entertained at a delightful luncheon Friday evening at their home on Editor street. A delicious four course menu was served at 6 o'clock and covers were laid for forty. Tables were made up for cards and a most enjoyable time after luncheon was spent in dancing and playing bridge. Loren Dinwiddie of Litchberry was the out of town guest.

Peter Hines was a Springfield caller Friday from Ashland. Mr. and Mrs. Fred Walbaum

Mr. and Mrs. Clark Wallbaum were listed among shoppers in Springfield Friday afternoon.

Mrs. Stella Edwards, who has made an extended visit in Ashland with her parents, Mr. and Mrs. Frank Graff, has returned to her home in Moberly, Mo.

Miss Gladys Edwards was here from Springfield and visited the week end with her grandparents, Mr. and Mrs. Henry Dorand.

About 125 articles are now on display in the gift room, which will be given away June 12, by the Ashland merchants.

Mrs. Felix Welch of Prentice was here Sunday a guest at the Murrey household.

Mr. and Mrs. Tom Butler were Ashland callers from Pleasant Plains.

Mrs. J. A. Betcher was a business caller in Jacksonville Friday.

Miss Mary Genter has returned home from a few days' visit with relatives in Mason City.

Miss Helen McLaughlin made Jacksonville a shopping day Thursday.

Miss Grace Bain was here Saturday and Sunday from Taylorville, a guest of her aunt, Mrs. Grace Garner.

Fred Hexter was a business caller in Springfield Friday afternoon.

LeRue Hewitt was guest of honor at a charming party given Saturday at the home of his mother, Mrs. Clara Hewitt the occasion being his tenth birthday.

Twelve friends were invited in to spend the evening. The time was gaily spent in playing games and a general good time. He received many useful presents. Refreshments were served, and at the appointed hour they went to the Lyric theatre where they enjoyed a show. Those present were: Eugene Clements, Elmer Lee Beadles, Russel Camp, William Bast, David and William Werthing, Margaret Goff, Gene Graff, Mildred Vians, Lela May Gardner and Eloise and Catherine Berge.

The Jacksonville young people will conduct these rallies. Troop 4, Boy Scout orchestra will furnish music, and other young people will present the program. All young people of Jacksonville who desire to go are urged to attend all these rallies. In order to organize the group from each Sunday school, the following captains were appointed:

Northminister, Lloyd Beeber, Grace M. E. Kent Broadwell, State St. Presbyterian, Virginia Brown.

Central Christian, Virginia Smith, Trinity, Florence Galley, Congregational, Georgia Terhune, Brooklyn, Kenneth Watts, Baptist, Gale Jackson, Centenary M. E., Lee Baldwin, Westminster Presbyterian, Robert Bentley.

Any one desiring to attend these rallies can do so by reporting to these captains, who will secure autos for all who report. For the Waverly trip cars will leave Central Christian church promptly at one o'clock.

The members of the publicity committee, appointed to boost these rallies and the conference are: Russell Ludwig, Martin Graff, Melchi Hart, Ernest Hoagland and Olive Randall.

This will doubtless be one of the largest and best county conferences ever held in Illinois. The enthusiasm and earnestness with which the young people entered into this meeting Sunday, give evidence of the complete success of all their plans.

At the close of the Rally those attending were invited to the dining room of the church, where lunch was served by the high school class of Central Christian Sunday school.

ARE YOU FAT? JUST TRY THIS

Thousands of overfat people have become slim by following the advice of doctors who recommended Marmola Prescription Tablets, those harmless little fat reducers that simplify the dose of the famous Marmola Prescription.

If too fat, don't wait—go to your druggist and for one dollar, which is the price the world over, procure a case of these tablets. It preferable you can secure them direct by sending price to the Marmola Co., 4612 Woodward Avenue, Detroit, Mich. They reduce steadily and easily without tire some exercise and leave no unpleasant effect.

YOUNG PEOPLE IN BIG RALLY SUNDAY

One Hundred and Twenty Five Representatives of Sunday Schools of City Hold Get-Together Meeting to Boost Movement for County Conference.

Every Sunday school in Jacksonville was visited by teams of young people on Sunday. As a result there were more than one hundred and twenty young people representing practically all the Sunday schools of the city at the Booster Rally held in the Central Christian Church Sunday afternoon.

This was the largest and most enthusiastic group of young people ever brought together in the interests of the Sunday school work of this city.

Miss Virginia Cummings, chairman, presided at the business session. Harry Walker of the program committee introduced the various numbers and Clarence L. DePew, of the county association, presided at the "Who's Who", introducing Mrs. Darley and Mr. Gard, the county and city young people's superintendents and called on the delegates from each Sunday school to stand.

The object of this Rally was to perfect plans for the coming county conference, April 14 and 15 in Jacksonville for the young people between the ages of 14 and 24, of the Sunday Schools of the county.

A schedule was adopted for a series of four rallies to be held in the county to boost the conference, as follows:

Waverly, Sunday, March 18, Murrayville, Sunday, March 25, Chapin, Sunday, April 1st, Litchberry, Sunday, April 8th.

All the Sunday school classes of young people in these quarters of the county are expected to send large delegations to these rallies.

The Jacksonville young people will conduct these rallies. Troop 4, Boy Scout orchestra will furnish music, and other young people will present the program. All young people of Jacksonville who desire to go are urged to attend all these rallies. In order to organize the group from each Sunday school, the following captains were appointed:

MURRAYVILLE, ROUTE 4

Mrs. William Rimbey of Haled, Kansas, is visiting her sister, Mrs. Charles Blakeman and other relatives here.

The community was grieved to learn of the sudden death of Mrs. Chester Blimling which occurred at Passavant hospital Wednesday. We extend sympathy to the bereaved family.

The venerable William Lemon is seriously ill with complications incident to advanced age.

Mrs. Charles Sooy who has been critically ill for some time, is still in a serious condition.

Among those of the Blimling family who were called home by the death of Mrs. Chester Blimling were Mr. and Mrs. John Fitzsimmons, Mr. and Mrs. John Blimling and Warren Blimling of Jacksonville; Mr. and Mrs. Verless Blimling of Woodson; Mrs. Grace Zahn of Concord; Mrs. Mark Johnson of Halls; Mrs. Fred Rook of St. Louis; Dale Blimling and wife of Indianapolis, Ind., and others.

The Young Woman's Home Missionary Society held their monthly meeting in the church basement Friday afternoon and evening. The affair was their annual quilting and supper. A number of guests were present and altogether it was a very pleasant affair.

Mrs. Hattie Brewbaker was called to the bedside of her father, William Lemon.

Mrs. J. A. Biddle was a guest at J. A. Carlson's home Thursday.

Robert Walker is confined to his bed with a case of "flu."

The Robekah Dramatic company will present their play, "The Arizona Cowboy" in the Odd Fellows' hall in Winchester Tuesday evening March 6.

Mrs. Ada Story Sandman of Exeter attended the funeral of Mrs. Chester Blimling Friday.

CARD OF THANKS. We desire to thank all who in anyway assisted us during the illness and after the death of our son, Paul L. Whiteley, also for the many lovely flowers.

Mrs. Lillie E. Whiteley.

Don't use the whip on tired nerves — it means trouble

When the day's work is hard, you can't make it easier with stimulants.

Ask any doctor for the facts.

You can't over-draw energy without paying.

Coffee contains the nerve-stimulating drug, caffeine. When coffee is used to overcome fatigue, it means whipping the tired nerves into a run.

You may seem to get added strength—but there's a settlement coming for an over-drawn account.

Take care!

Rest is the cure for fatigue. Health is the equipment for hard tasks.

Rest and health are interfered with when nerves are over-stimulated.

You've seen plenty of proof. How many people do you know who say, "I have to go slow on coffee; it keeps me awake nights?"

How is it in your own case? Have you counted restless night hours after the evening cup of coffee?

Treat your health sensibly that you may meet your task capably.

Don't try to draw strength from over-driven nerves. That way lies weakness. Don't increase over-work by using stimulants. You are merely postponing and increasing the penalties.

Be fair to yourself!

For a hot, comforting beverage, drink Postum and let nerves have their natural rest.

There's charm without harm in Postum—a delightful, satisfying cereal beverage; rich, seal-brown in color, delicious in flavor and aroma, and containing nothing that can irritate nerves or disturb health. Postum is safe and enjoyable for every member of the family.

Thousands who formerly used coffee or tea, and began to pay the penalties of nerve-stimulation, now use Postum and praise its comforting goodness.

The road to health is a good road for anybody to follow.

Your grocer sells Postum in two forms: Instant Postum (in tins) prepared instantly in the cup by the addition of boiling water. Postum Cereal (in packages) for those who prefer to make the drink while the meal is being prepared; made by boiling fully 20 minutes.
